Game Day Program

ROUND 14 - EASTS V GPS

SATURDAY 8TH JULY 2023

Easts Rugby Union acknowledges Turrbal and Yugara, as the Firsts Nations owners of the land where Easts gathers today.

We pay our respects to their Elders, past, present and emerging, and we recognise their connection to the land and their role in caring for and maintaining the land over thousands of years. Easts acknowledges the important role Aboriginal and Torres Strait Islander people play within the Easts community, may their strength and wisdom be with us today.

Saturday 8th July

Welcome to Country

A Welcome to Country is a traditional Aboriginal ceremony performed at gatherings by a local clansperson to welcome people from other areas to their ancestral land. It is intended to highlight the cultural significance of the surrounding area to the descendants of the Traditional Owners of the land. The term "Country" has a particular meaning and significance to many Aboriginal peoples, encompassing their connection to land, culture, spirituality, and identity.

We're a proudly Australian owned and operated technology provider working to deliver personal medical alarm systems that can be relied upon when needed.

Brisbane based, we're a team of technology specialists and customer service professionals passionate about making a positive difference in the lives of seniors. We've spent a lot of time researching how we can help and we're using what we know to build some exciting products such as medical alarms that enable independence, a sense of freedom and peace of mind. That's not just for our end customers but also for those who care about them and those who care for them.
